

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

COLUMBIA MEDICAL SYSTEMS, INC.,

Defendant.

No. CR05-270RSL

ORDER DENYING DEFENDANT'S  
MOTION TO MODIFY SENTENCE,  
AND ORDER GRANTING MOTION  
TO SEAL

This matter comes before the Court on defendant Columbia Medical Systems, Inc.'s ("CMS") "Motion to Modify Sentence" (Dkt. #305) and the "Government's Motion to Seal" (Dkt. #307). In its motion, defendant CMS moves for an order vacating the fine imposed on defendant CMS, or in the alternative, to recall the \$50,000 applied to defendant Tuyet Nguyen's restitution and apply it to defendant CMS's fine. See Dkt. #305 at 1. The government also moves to seal the declaration of Susan Loitz and accompanying attachment (Dkt. #307). Having considered the motions, the government's response (Dkt. #306), and the records and files herein, the Court denies defendant CMS's motion (Dkt. #305) and grants the government's motion to seal (Dkt. #307) for the reasons set forth below.

First, the Court DENIES defendant CMS's requested relief to vacate assessment of a fine. Although defendant's counsel declares that "Columbia Medical Systems, Inc., has indicated that

ORDER DENYING DEFENDANT'S  
MOTION TO MODIFY SENTENCE, AND  
ORDER GRANTING MOTION TO SEAL

1 it no longer is a viable corporation” and “[i]t has shut its doors and intends to dissolve the  
2 corporation,” there is no evidence in the record of this fact other than the representation of  
3 defendant’s counsel. See Dkt. #305 (Mestel Decl.). Furthermore, as the government shows in  
4 its reply, the business address for Summit Medical Imaging, Inc., a medical equipment  
5 corporation, is the same as defendant CMS’s address. See Dkt. #306, Ex. 1. Defendant CMS  
6 has failed to show the relationship, if any, between CMS and Summit Imaging, Inc., or  
7 defendant CMS’s inability to pay the remainder of the fine.

8       Second, the Court also DENIES defendant CMS’s requested relief to “recall” the \$50,000  
9 applied to defendant Tuyet Nguyen’s restitution. As the judgments in this case provide,  
10 payments shall be applied to restitution before fines. See Dkt. ##302 (defendant Columbia  
11 Medical Systems, Inc.); Dkt. #286 (defendant Phu Nguyen); Dkt. #270 (defendant Tuyet  
12 Nguyen). Therefore, applying the \$50,000 to defendant CMS’s fine before applying it to Tuyet  
13 Nguyen’s restitution is inconsistent with the terms of the judgments in this case. Furthermore,  
14 defendant is incorrect that there will be no prejudice if the requested relief is granted. Defendant  
15 Phu Nguyen’s joint and several liability for defendant CMS’s fine was limited to \$50,000, which  
16 has already been paid. Accordingly, should defendant Tuyet Nguyen prevail on her appeal,  
17 there will be no recourse against either of the Nguyens for the remainder of the fine.

18       Finally, given the financial accounting information contained in Dkt. #308, Attach. 1, and  
19 pursuant to the General Order of the Court regarding Public Access to Electronic Case Files  
20 (filed 5/29/03), the Court GRANTS the government’s motion to seal.

21       DATED this 5th day of February, 2008.
